TERMS AND CONDITIONS

To be eligible for this rebate, all required information must be completed, including a valid electricity account number and original purchase receipts for insulation materials dated after April 30, 2009. Applicant must meet all eligibility requirements. Upgrade must meet insulation requirements. Rebates will be paid for basement/crawl space walls or basement/crawl space ceiling upgrades but not both. Only residential customers with electric heating systems using equal to or greater than 15,000 kWh per year are eligible. Offer subject to change or cancellation without notice. Please allow 6 to 8 weeks for processing. Newfoundland Power and Newfoundland and Labrador Hydro will not honour warranties and guarantees, and are not responsible for any damage caused by the installation of these products. Newfoundland Power and Newfoundland Hydro may visit and inspect your home at any time from the date of application until 12 months after installation. If you have completed an ecoENERGY Retrofit Home Audit and you submit copies of your pre and post-installation audit reports, an inspection will not be required.
